Hi-vis bomber jacket with detachable sleeves

Do you often work sitting down? This short, breathable bomber jacket is the perfect choice for drivers and others that need to stay put. The Malbro is not only waterproof, the padded lining insulates your body in cold weather conditions so you can work comfortably. The standing collar and the knitted wind cuffs on the sleeves withstand even strong winds. Thanks to the detachable sleeves, you can transform this jacket into a body warmer. This jacket can be used as an additional lining with the Barcley jacket through the zip-in.
